Pensions Information

A comprehensive and cost-effective solution that is easy to use and always up-to-date

For organisations & individuals

Perspective's expanding core library includes:

- Acts and Bills
- Statutory Instruments (inc Drafts)
- Regulatory Materials (inc HMRC, TPR, PPF)
- Law Reports and Ombudsman Determinations with Commentary
- EU Directives
- Consultations and Reports
- Commentary
- Parliamentary Coverage
- Surveys
- Daily News Service
- Forms and Statistics

All documents are fully annotated and cross-referenced.

All legislative documents offer:

- commencement and amendment dates
- modification and other editorial notes
- cross-referenced definitions.

A key feature of *Perspective* is the ability to provide powerful yet flexible searching across all its documents and collections.

One special feature of *Perspective* is its Time-travel facility that enables the user to view text with changes, not just at today's date, but at any date in the past or future.

Perspective has the ability to form the basis of a powerful in-house information system. Users can add annotations anywhere in *Perspective* that can include links to other documents. Additionally, your own information – scheme rules, reports, handbooks, communications etc – can be added to *Perspective*.

Perspective's editorial team is dedicated to the monitoring of all developments that impact upon UK pensions. This ensures that all major documents appear quickly on *Perspective*. *Perspective* is kept up-to-date via web updates on a near daily basis. An email alert service is also offered to users to help them keep right on top of matters.

Perspective is easy to use with the key initial training included as part of the service. An efficient and friendly helpdesk is also available throughout the day.

The electronic information service of choice for UK pensions professionals

“An indispensable tool that assists in research and compliance”

PENSIONS MANAGEMENT

“Well ahead of the pack in providing comprehensive material, contemporary and historical”

PROFESSIONAL PENSIONS

Perspective was born from a major research programme funded by a dozen major UK pensions organisations, including two of the regulatory bodies. Since its launch in 1997, the technology behind *Perspective* has been kept as up-to-date as its content. As a result, *Perspective* is to be found at work in the offices of most major advisors and Government departments as well as a wide and growing range of pension funds, financial institutions and regulators.

Perspective is the electronic information service of choice for the UK pensions industry.

.....
Perspective, the most comprehensive resource of its kind available to pensions professionals, is a unique and unrivalled reference library of legal, regulatory and supporting texts. *Perspective's* dedicated editorial team tracks all major pensions developments so that the service is always up-to-date. Powerful and easy to use, *Perspective* delivers:

- Searching
- Full annotations and cross-references
- 'Time-travel'
- Daily news
- Email alerts.

With users being able to append their own notes to any text and with *Perspective's* capacity to incorporate their own documents, *Perspective* is a truly powerful information resource.
